**Part I:** Jump to the left! Jump to the right! Three claps. Hands on your knees! Pat your belly and rub your head. Rub your belly and pat your head. Take four steps forward. Two jumps. Turn to your left and skip backwards three times. Look up at the sky and scream, "Heyyyy!"

**Part II:** Lead with your dominant body-half for one minute. Switch.

**Part III:** Take off each item of clothing you're wearing slowly, in a not-very-good striptease. Once as nude as possible, spin around whilst putting every layer back on inside-out. #art

**Part IV:** Beginning on the floor and ending standing: Roll, Wrap, Bend, Curve, Spoke, Siphon, Drop, Raise, Koala

**Part V:** There's probably enough happening, so you can sit this one out, if you want.
